

MADE EVENT

The Made Event team, headed by Mike Bindra and Laura De Palma, is committed to excellence in the programming, promotion, and production of electronic dance music events. They continually bring a world-renowned caliber of entertainment into a variety of distinctive and innovative venues, and seek to push the limit of expertise in their field. With over 20 years of combined experience, Made Event has successfully produced inaugural international DJ events in Central Park and Brooklyn's Tobacco Warehouse and this August 17-18th, 2007, they present their award-winning Made in Central Park NYC event with Paul van Dyk for the 5th consecutive year in a row.
