

## VIBAL

Sharing the name with Tedd Patterson's own record label, Vibal, Tedd explores a whole world of music including tribal, soul, house, techno, and the occasional classic with no limits. Tedd always makes sure to design his sets to build in intensity, and even though the tempo and mood changes throughout the night, the one thing that connects them is groove. Vibal has evolved into one of Cielo's most popular monthly parties drawing an ever-growing group of loyal fans. It takes place on the first Saturday of every month...
